

MBS, Inc. continues to monitor developments related to **COVID-19 Coronavirus** and we want to assure you we are actively implementing the best practices recommended by the **Center for Disease Control and Prevention (CDC), World Health Organization (WHO) and local health departments**. Our locations are taking additional steps to sanitize, reduce transmission and protect our employees and customers, while maintaining operations to best serve our customers.

Our No.1 priority is keeping our employees and community safe. Therefore, effective immediately, we will ask any customer scheduling an in-home delivery, questions pertaining to the COVID-19 Coronavirus outbreak.

Thank you for your understanding and partnership during this tough time.

In the last 14 days:

1. Have you or anyone in your household exhibited any symptoms of the COVID-19 Coronavirus? (Fever, Cough or Shortness of Breath)
 Yes No
