

Congratulations to Dave Pfaff and Belfor Property Restoration for winning the Best Booth at the 2021 Supplier's Council Trade Show!!

**BELFOR**   
PROPERTY RESTORATION

SCKEDD is a non-profit economic development organization who has been actively involved in the Kansas Weatherization Assistance Program since 1979. The KWAP program is funded through the Department of Energy and LIEAP (Low Income Energy Assistance Program). Through this program, we serve 40 counties and over 400 homes in the state of Kansas with a focus on multi-family units.

KWAP is the nation's largest residential energy efficiency program. Weatherization improves heating efficiency and fuel savings by ensuring homes hold in heat and air-conditioning, while keeping hot and cold air out. Some of the services may include the following:

- Sealing of drafts and air leaks
- Caulking and weather stripping of doors and windows
- Testing, cleaning, and repairs of heating and cooling systems and water heaters
- Adding insulation to ceilings, walls, floors, and foundations
- Lighting, refrigerator, fan upgrades

Eligibility is based on household income relative to federal low-income guidelines. If a household contains a member who received one of the following, they will automatically income qualify:

- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- LIEAP (Low Income Energy Assistance Program)

What is the process for a multi-family property to apply?

- Submit a multi-family pre-screening application
- Schedule a site visit from our qualified staff to determine potential measures
- Submit applications with income documentation for all units

Our organization is passionate about housing and helping Kansas residents to save money on their energy bills and help make their home more energy efficient. For properties interested in pursuing weatherization and to receive a multi-family pre-screening application, please contact Erynne Farney at (316) 440-8790 or [efarney@sckedd.org](mailto:efarney@sckedd.org).

## Member of the Month

*By: Cody Stout, Maxus Properties*

This month's Member of the Month is Kristen Malone with Commercial Laundry Sales and Service. Kristen has been in her current role as the Sales Administrative Assistant for a little over 6 months. Prior to CLS&S, Kristen was in the US Army stationed in Kentucky. Kristen's goal for excellent customer service and building relationships is most what she seeks in the AAGW. She believes "If there is a will, there is a way" and possesses a go-getter attitude.

Thanks so much for your dedication, we look forward to years of partnerships together.

# welcome

Becky McCullough joined the AAGW as our new Association Executive in August. Becky has a Bachelor's Degree in Accounting from Kansas State University (Go Wildcats!) as well as a Master's in Professional Studies with a concentration in Human Resources from Fort Hays State University. Becky has six years of multi-family property experience with Corvias at Fort Riley where she was an Assistant Community Manager for their leasing office as well as serving as the Assistant Community Manager for two of their installation communities. With her background in business, accounting, and property management, Becky looks forward to the challenges of her new role and helping the AAGW continue to make a positive impact on their members and our local community. One of Becky's favorite quotes is, "Why fit in when you were born to stand out?" -Dr. Suess.
